

SAVE THE DATE FOR FUTURE OIFE EVENTS!

ABSTRACT SUBMISSION & REGISTRATION FOR OIFE INVESTIGATOR MEETING 2025 IS OPEN

OIFE 4th Investigator Meeting will take place November 21st from 2-7pm Central European Time. Target group is primarily researchers and clinicians working with OI in Europe and other countries, but anyone is welcome to attend.

We are delighted to invite you to submit abstracts for OIFE's fourth virtual European Investigator Meeting. We invite your abstracts on any aspect of OI research, whether basic, translational or clinical. Abstracts previously presented at other conferences in 2025 will be allowed. A limited number of oral slots are available on the programme and priority will be given to abstracts describing novel research and hot topics related to OI.

Abstract deadline is October 1st. Links to abstract submission and registration can be found here: <https://www.oife.org/investigator>

Please note that we will not have invited speakers covering the pharmaceutical trials in the Investigator Meeting. If you are interested in those – please register for the OIFE Clinical Trial Update as well!

REGISTER FOR OIFE CLINICAL TRIAL UPDATE!

On October 14th, 2025 we are offering our annual update from ongoing international clinical trials on OI. This year will be a very important one, because we hope to have final results coming out of 2-3 of the biggest fracture reduction trials.

The following trials are confirmed to give a status:

- * The Cosmic and the Orbit trials
- * The BoostB4 trial
- * The Topaz trial
- * The MOI-A trial

More trials will be added.

The goal of webinar is to update the OI-community about ongoing clinical trials – both those who are recruiting and others. The event is free and anyone interested can attend.

The graphic is a promotional poster for a webinar. On the left, the OIFE logo is at the top, followed by the word 'WEBINAR' in large blue letters. Below that is 'CLINICAL TRIAL UPDATE 2025'. A line of text says 'Open to anyone interested in **OSTEOGENESIS IMPERFECTA** related research.' Below this, there are icons for a calendar and a clock. The calendar icon shows '14' and the date 'October 14th 2025'. The clock icon shows the time '7.30 - 9 PM (CET)' and '1.30 - 3PM (EST)'. At the bottom left is a dark blue button with white text that says 'REGISTER BY SCANNING THE QR CODE :'. To the right of the text is a large QR code. On the far right, there is a circular inset image showing four people (three women and one man) sitting on a stage in front of a screen, appearing to be in a panel discussion.

SAVE THE DATE FOR OIFE TOPICAL MEETING 2026!

We strongly encourage you to save the date for our topical meeting – which is a unique meeting where different stakeholders come together to discuss and shed a light on topics where there is not that much knowledge. Target group includes anyone interested – including people with OI, caregivers, clinicians, researchers and industry. In 2026 the topic will be phases of adult life with OI – including transition from youth to adulthood, but also from adulthood to ageing. Follow oife.org for more information and updates.
