## **SUBJECT MATTER OF CONTRIBUTIONS**

The journal *Locomotor System* will publish the papers from the field of locomotor apparatus of man which are above all concerned with the function, physiological and pathological state of the skeletal and muscular system on all levels of knowledge, diagnostic methods, orthopaedic and traumatologic problems, rehabilitation as well as the medical treatment and preventive care of skeletal diseases. The objects of interest are interdisciplinary papers on paediatric orthopaedics and osteology, further object of interest are problems of biomechanics, pathobiomechanics and biorheology, biochemistry and genetics. The journal will accept the original papers of high professional level which were not published elsewhere with exception of those which appeared in an abbreviated form.

The editorial board will also accept the review articles, case reports and abstracts of contributions presented at national and international meetings devoted largely to locomotor system. The papers published in the journal are excerpted in *EMBASE / Excerpta Medica* and *Bibliographia medica Cechoslovaca*.

## **MANUSCRIPT REQUIREMENTS**

Manuscripts should be submitted in text editor Microsoft Word in format \*.doc, docx or \*.rtf. While no maximum length of contributions is prescribed, the authors are encouraged to write concisely. The first page of paper should be headed by the title followed by the name(s) of author(s) and his/her (their) affiliations. Furthermore, the address of the corresponding author should be indicated to receive correspondence and proofs for correction. Papers are reviewed by two (and/or three) reviewers.

The second page should contain a short Abstract (up to 150 words) followed by the key words (no more than 6). The proper text of original paper is laid out into introduction, material and methods, results, discussion and if need be acknowledgement. The reviews, discussions and news from conferences are without summaries and their lay-out depends on the character of communication. The paragraphs should not begin with any spaces from the left margin nor tabs and should contain at least four rows.

## **ILLUSTRATIONS AND TABLES**

Authors should supply illustrations and tables on separate sheets in the document. They should be numbered in the same order as is their desired location in the text. The figures should include the relevant details. Pictures should have resolution min. 150 dpi, drawings and graphs in bitmap resolution 600 dpi. They should be saved as tif or jpg format, tables and graphs in Microsoft Excel or as vector graphics in formats \*.eps or \*.cdr. Figure legends should be provided for all illustra-
